

Pneumatic Parts, Hydraulic Parts & Components

The business includes oil piping, oil tank system assembly and the sales of various pneumatic parts, hydraulic parts & components from Taiwan and imported brands such as Legris, FESTO, PISCO, MINDMAN, SHPI, MAC, also including high and medium pressure pipes from Europe, Japan, such as SC KINGFLEX, YOKOHAMA, SEMPERIT, SIMPLEX, etc.

Products:

- Medium/High/Super High Pressure Oil Tubes/Steel Wire Transparent Tubes/Stainless Steel Tubes, etc.
- Various Standard/Non-standard Oil Connectors
- Ball Valves/Cocks
- E-type Brass Connectors
- PU/PF/Nylon/Trumpet Brass Connectors
- Connector for brass tubes
- Labor-saving Quick Coupler
- EU/US/JIS-Norm, Various Brass/Steel/Cast Iron/Stainless Steel Connectors
- Parts for Compressors
- Speed Regulators/Silencers
- Quick Fittings for Patented Air Pipes
- PU/PE/Nylon Tubes
- Suction Filters
- Super Flow Wet Type Directional Solenoid Valves
- Various Liquid-filled Pressure Gauges
- Various Multi-pass Quick Couplers
- Variable Displacement Van Pump
- Motor uni-body Internal Gear Pump
- F.R.L.
- Central Lubricating Components & Oil Tank Assembly
